Words are flowing out like endless rain into a paper cup
They slither wildly as they slip away across the universe
Pools of sorrow, waves of joy are drifting through my opened mind
Possessing and caressing me

Jai guru deva om Nothing's gonna change my world
Nothing's gonna change my world
Nothing's gonna change my world
Nothing's gonna change my world

Images of broken light which dance before me like a million eyes
They call me on and on across the universe
Thoughts meander like a restless wind inside a letterbox
They tumble blindly as they make their way across the universe
